

2013 BOARDS AND AGENCIES OF THE CONFERENCE

General Rules of the Overall Structure

2. Diversity and Inclusivity: In accordance with the 2004 Journal of the Annual Conference of the Kansas East Conference (page 308, item 3): “The Committee (on Nominations) shall nominate persons to reflect the diversity of the conference and inclusivity with regard to districts, church size, gender, race, age, clergy/lay and persons with challenging and/or limiting conditions.”

As a result of the above, this recommendation is assumed in membership of all committees and will not be listed specifically under committee membership of each committee.

Council on Youth Ministry: This council has the prerogative of appointing a Youth Rep to serve on all conference boards and committees unless expressly forbidden in the Book of Discipline or Conference rules.

Staff Relationship to Committees: The Bishop, Superintendents, Assistant to the Bishop/Treasurer, and Kansas Director of Clergy and Congregational Excellence will determine staff representation to all boards and committees.

Chairpersons and Officers: Chairpersons are named by the Conference Committee on Nominations except when the Book of Discipline gives the committee that responsibility. In all cases, committees are free to elect additional officers as they deem necessary.

- + = Nominating recommends
- * = Group elects own officers
- # = Chosen by Bishop

Conference Lay Leader: The Conference Lay leader may designate an associate conference lay leader to serve in any position calling for the lay leader.

General Board or Agency Member: Whenever the conference has a person serving on a General Board or Agency, that person shall be ex officio on the corresponding Conference Board or Agency.

Council on Finance & Administration: The Council may name a non-voting representative to each main sub-committee of the Leadership Team.

Nominations Committee Recommendation for 2013 Conference Vote:

Because the Great Plains Conference will form effective January 1, 2014, the Kansas East Conference Nominations Committee recommends that the 2012-2013 Nominations report with the modifications noted above be effective through December 31, 2013. This would allow all conference entities to continue working together as we transition to the Great Plains Conference structure.

Bruce Draper, Chair, Kansas East Conference Nominations Committee

When the Great Plains Annual Conference is formed January 1, 2014, a new slate of committees and boards will take office. Therefore, by action of the 2013 Kansas East Annual Conference on May 31, 2013, those elected to office for 2012-2013 will remain in office until December 31, 2013. That slate can be found in the 2012 conference journal and will not be reprinted here. The following addenda to that slate was approved at the 2013 conference session:
